REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: in view of the IDS filed April 11, 2005, the prior art of record considered as a whole fails to teach or suggest a recording or reproducing apparatus, method or optical disk as claimed, specifically including the limitation of forming a second two-dimensional array by carrying out a single error correction encoding process or a plurality of error correction encoding processes which form code sequences by using data alignments in respectively different directions or in a diagonal direction of the first two-dimensional array on the first two-dimensional array.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
